Dear Emile,

The Western Cape Umbrella Fire Protection Association (WCUFPA) would like to offer our sincere thanks for the very generous assistance and support for the #Wildfire Ready Convention.

Thanks to your generous sponsorship, we were able to host a successful event which was well attended by the wildland fire and disaster management community. Feedback from the event has been incredibly positive and it would seem that delegates felt that the topics covered were of great interest.

This event would not have been possible without the generous support Kishugu have provided us throughout. We genuinely appreciate the willingness with which you have supported our efforts to see our venture through to fruition and sincerely hope that this association will be maintained with continued support in our future endeavors.

It was an honour hosting and celebrating the convention with you.

Yours sincerely,
